

Issa Ibrahim
Expert
Economic Development Department

Issa Ibrahim has held a position as economic expert at The Planning Council and later at the Economic Affairs Department at the General Secretariat of Development Planning since 1998. He has contributed to the preparation of a number of studies, reports and working papers in the State of Qatar including the preparation of a Labor Market Strategy, Youth Strategy and the National Vision of the State of Qatar 2030.

Prior to this period, during 1990 to 1998, Issa worked as an economic expert at the Development Council / Ministry of National Economy in Oman, where he participated in the preparation of Economic and Social Development Plans (1990-1996 and 1996 - 2000), Oman Vision 2020, and the National Strategy for the Omani Environment.

Between 1984 and 1989, Issa contributed to a number of studies and reports produced by the Royal Scientific Society in Jordan, and to the preparation of Economic and Social Development Plan of Jordan (1986-1990). Issa earned his Ph.D. in Economics from Southampton University in 1983.
