

**Decision No. (...) of 2009**  
**Establishing the NDS Steering Committee**

We, Tamim bin Hamad Al Thani, Chairman of the ONV Oversight Committee,  
After reviewing the Emiri Decision No. 44 of 2008 approving Qatar National Vision 2030,

And the Emiri Decision No. 51 of 2008 establishing an Oversight Committee under our chairmanship to monitor the implementation of the QNV,  
Decide the following:

**Article (1)**

A Committee shall be set up and named **“The Steering Committee for Preparation of National Development Strategy - NDS”** in accordance with the approved comprehensive development vision (Qatar National Vision 2030).

**Article (2)**

The committee shall have the following as members:

1. HE Minister of State for Interior Affairs.
2. HE Minister of Economy and Finance.
3. HE Minister of Labor.
4. HE Minister of Municipality and Urban Planning.
5. HE Minister of State for Energy and Industry Affairs.
6. HE Minister of State for Cabinet Affairs.
7. HE Minister of Environment.
8. HE Minister of Social Affairs.
9. HE Minister of Education and Higher Education.
10. HE Minister of Public Health.
11. HE Minister of Business and Trade.
12. HE Governor of Qatar Central Bank.
13. HE Secretary-General of the GSDP.
14. HE Director General of the GSDP.

**Article (3)**

The committee shall pursue the following tasks:

1. Engage with the General Secretariat for Development Planning (GSDP) in establishing and supporting sectoral workgroups and Inter Agency Task Teams (IATTs) and provide appropriate capacities and resources.
2. Identify studies, work papers and reports prepared by sectoral workgroups and IATTs on various human, economic, social and environmental activities and sectors and ensure their consistency with the national developmental goals.
3. Review developmental proposals and goals and strategic sectoral strategies and submit to the Oversight Committee monitoring the implementation of the QNV 2030.
4. Contact Ministries and government agencies asking them to nominate appropriate human resources to be members of the IATTs and provide data,

5. Review and approve periodical reports prepared by the GSDP on the progress achieved in the formulation and implementation of the NDS, including recommendations, problems and obstacles.
6. Submit to the ONV 2030 Oversight Committee comprehensive periodical reports on the progress achieved in the formulation of NDS including proposed action to address possible problems and obstacles.

**Article (4)**

The committee shall hold at least a meeting every two months. The GSDP Secretary-General shall invite and chair the Committee meetings.

**Article (5)**

To ensure effective accomplishment for its tasks, the Committee may seek expertise of individuals and agencies, if it deems necessary, to assist - with their opinion, data or explanations - in the completion of its work.

**Article (6)**

The Committee shall develop a system for its work, which includes a mechanism for its internal regulations, and rules and principles necessary for pursuing its tasks.

**Article (7)**

The Committee member may assign an official from the same Ministry/agency to represent him/her in the Committee meetings. This representation shall not exceed three consecutive meetings. "The Committee's decisions, issued during the meetings in which the representatives present, shall be considered valid for their Ministries/agencies"

**Article (8)**

The committee shall submit, to the QNV Oversight Committee, a report that includes results of its work.

**Article (9)**

All competent authorities, each within its area of concern, shall implement this decision which shall come into force from the date of issue.

**Tamim bin Hamad Al Thani**  
**Chairman of the QNV Oversight Committee**
